Who is within the Target Market for Personal Accident & Sickness Insurance?

This product has been designed to provide financial protection for individuals earning income by personal exertion, and employers, associations or others with obligations to individuals engaged, employed, associated or involved with them, who, in the event of incapacity by injury or sickness of the individuals:

- may require a period of recuperation
- will potentially lose income and may experience financial burden as a result of accidental injury and sickness in the short term
- might require protection from optional benefits and levels of cover that tailor the cost and cover provided by the insurance product to suit their specific circumstances

Customers within the Target Market

ShieldCover[®]

(Customers are likely to be within the target market if all the following conditions apply)

Customers who want protection for the income or the income of a covered person derives from personal exertion in Australia.

Customers who want financial protection for:

- an injury arising from an accident, where the covered person suffers temporary total disablement or temporary partial disablement
- sickness, where the covered person suffers temporary total disablement or temporary partial disablement

<	Covered persons aged up to 75 years			
<	Customers who are self-employed in Australia (this is relevant only in relation to individual customers seeking cover for their own personal exertion)			
Customers <u>NOT</u> within the Target Market				
(Customers are not likely to be within the target market if any of the following conditions apply)				
x	Customers seeking cover that is protected covered by any workers compensation scheme in their relevant State/Territory			
x	Customers who want cover for individuals who require guaranteed renewable Life Insurance, TPD Insurance, Trauma Insurance and/or Income Protection Insurance			
х	Customers seeking cover for individuals who are domiciled outside of Australia			
х	Customers seeking cover for individuals who are over the age of 75			
x	Customers who wish to cover periods of incapacitation arising from any pre-existing conditions			

ShieldCover has determined that the Product is likely to be consistent with the likely objectives, financial situation and needs of customers in the target market because:

- it provides certainty about the source of income during a period of incapacitation (being the agreed weekly benefit)
- it covers a number of key events that are likely to result in an inability to earn an income (being accidental injury or sickness)
